

Foundation Subjects/ Specialist Subjects

Key Stage 2 - Form 4 - Home Learning

Week Beginning: Monday 11th May 2020

Science

Log on to Active Learn Primary. Click on 'My Stuff', 'Science Bug' and watch the keeping teeth healthy video.

Watch the Loom video below for setting up an investigation for looking into the effects of drinks on our teeth. If you have the resources available at home, you can also set up the investigation.

<https://www.loom.com/share/5e7f8d4dc8e6444ab1d8a42858e2669d>

Activity: Using the 'Investigation Planning Sheet' (found in this week's resources), complete boxes 1 to 6. We will complete the results and conclusion in next week's lessons.

Topic

Using the online Ordnance Survey Map in the link below, locate at least 5 mountainous areas in the UK. Write the name of the national park for these mountainous areas in your workbook.

<https://osmaps.ordnancesurvey.co.uk/>

Activity: Watch the Loom video below for the teaching input for the activity.

<https://www.loom.com/share/e123a706162f4765bd32f28eb509692d>

As explained in the video, you have a choice of two activities for this week's topic lesson. You are more than welcome to do both.

Option 1: Contours Paper Model - found in this week's resources, you will need to print out the sheets on to card or paper and follow the instructions to make a model of a map's contours.

Option 2: Potato Contour Model - found in this week's resources, follow the instructions on the page for drawing the contour lines onto a potato. Please ask an adult for help when slicing the potato. Trace around the different contour sections to create a drawn example of a map's contours. You can do this either on the attached sheet or in your workbook.

Computing

Watch this Loom:

<https://www.loom.com/share/27402ad976764fdf9604e00489c9667b>

Open 2Logo, which is set as a 2Do on Purple Mash. Using the instruction sheet in this week's resources, look at the instructions and predict what shape you think the instructions will make. After you have made your prediction, check what shape is drawn when following the set of instructions. *You can write your answers on the worksheet. If you do not have printer, copy out the instructions and record your results into your workbook.*

Extension: Use the 'Repeat' function to find the most efficient way to write letters. Do this for the letters B and P. Then feel free to attempt this task with other letters of the alphabet.

RE

Read the 'Buddhist Festivals: The Ploughing Festival' slides. This can be found in the RE folder in resources.

After reading the story of Siddhartha and The Ploughing Festival, (on slides 6 to 8) write a blurb for this story. A blurb is the text on the back cover of a book. It is a summary of the story. It aims to get the reader interested in buying or reading the book. *Your blurb can be written in your lined workbook.*

Tips for writing an effective blurb:

- Summarise the story - but don't give the ending away!
- Keep it snappy
- Blurbs are short
- Engage the reader - why should they read the story?
- Use emotive words and language

Look at the blurb of any books you have at home. How much information do they include? Use these examples to help you.

Extension: Design and draw a front cover for this story. If you are struggling to think of your own ideas, you could draw Siddhartha's face with different thought bubbles coming from his head. In each of these thought bubbles you could write something he is thinking or draw a picture of something he sees.

Art & Design

In Chapter 10 of the BFG we are introduced to the BFG's favourite drink, 'Froboscottle'. At the beginning of the chapter there is an illustration of the BFG holding a glass bottle of Froboscottle. **This week, your challenge is to draw a still life drawing of a glass bottle.**

A 'still life' is a work of art depicting mostly objects that aren't alive or moving, typically commonplace objects which are either natural (food, flowers, rocks, etc) or man-made (drinking glasses, vases, jewellery, coins, etc).

Watch these videos for tips on how to draw effective still life drawings:

- https://www.youtube.com/watch?v=iWTpcutT_2Q&feature=emb_logo
- https://www.youtube.com/watch?time_continue=4&v=hOJ7xukRe-o&feature=emb_logo
- <https://www.youtube.com/watch?v=opke56XdZGk> (This is a slightly more cartoony style and includes colour)

Make sure you take a picture and share your finished masterpiece.

French

Watch the Loom video in the link below:

<https://www.loom.com/share/0df6a5ac544741308da6d613b7aca098>

Please follow the quiz on the loom and then draw a French flag in your own style, using the heading: 'Les trois couleurs du drapeau francais. Merci!' When uploading your work to Padlet, please feedback on how you found the quiz. Was it enjoyable? Did you find it too difficult?

Music

Warm Up: The Bonkers Song <https://www.loom.com/share/448c2aa6d2e44acb9c5b7a72c817473b>

Watch: Night on a Bare Mountain <https://www.loom.com/share/1de9c708af6840189a967faf897b61ba>

If you want to watch just the 5 minute video of this piece again (and the sound quality is much better), follow this link: <https://www.bbc.co.uk/teach/ten-pieces/primary-music-ks2-mussorgsky-night-on-bare-mountain/zvw2t39>

Recorders: I'm An Indian Warrior, Big Kite, Play A Recorder!

<https://www.loom.com/share/4a19285c9e8f48549427abac73792781>

PE

In this week's PE resources you will find a document called 'Workout of the Week'.

This week's focus is on being 'incredible', as you battle through fitness and practise some core skills. First, Miss James would like you to read the explanation of the task. Then, attempt the challenges explained within and make sure you take pictures of your attempts! Enjoy!
