## Declaration

I/We understand and agree that:

1. Registration of our child as a prospective pupil does not secure our child a place at the School but does ensure that our child will be considered for selection as a pupil at the School;
2. The School, as a registered Data Controller, will process personal data about us and our child, including sensitive personal data such as medical details. We consent to the processing of our data and our child's data; for further information on how we use your data, please refer to the Data Protection Policy;
3. In the event that our child is offered a place at the School, such an offer will be subject to the School's terms and conditions for the provision of educational services, which will bind us in the event that we accept the place;

If our child is currently at another independent school it is our responsibility to ensure that our obligations to that school are honoured in full.

We request that our child be registered as a prospective pupil. A non-returnable deposit of one hundred pounds is enclosed.

We confirm that we will abide by the school's standard Terms and Conditions, as applicable at the date of first registration of our child.
